

## UN Joint Representative

### **Morten Ussing**

#### *Joint United Nations Programme on HIV/AIDS*

Morten Ussing heads the Joint United Nations Programme on HIV/AIDS (UNAIDS) Governance and Multilateral Affairs division. He is responsible for coordinating the functioning of UNAIDS governance structures, including the Programme Coordinating Board, its Bureau and the work of the Committee of the Executive Heads of the 11 Cosponsoring UN Organizations, as well as UNAIDS engagement in other intergovernmental and inter-agency bodies. Morten took this position after four years in the UNAIDS Executive Office. He is an international business economist and has previously worked in the resource mobilization divisions of UNAIDS and UNHCR. He worked in the Balkans for the UN High Commissioner for Refugees after being part of the peacekeeping operations in Bosnia and Herzegovina for his native Denmark.
